

# Sheffield May Day Trek

## 5-mile route

Head west up Heads Lane to Salter Hills trig point, across Whitwell Moor and then head north to Wind Hill Farm and onto the sailing club at Underbank Reservoir. From the reservoir head east towards Oxley Park onto Greave House Farm, continuing across the fields to Whitwell, East Whitwell and Hollin Busk, then turn sharp south back to Bolsterstone.

## 10 mile trek

Follow the 5-mile route then head east to Cote House. At Cote House head south to Storth House Farm, then west in the woods behind Ewden village. At the stone bridge crossing the dyke head south to the reservoir service road and down to the road taking you between the reservoirs to New Mill Bridge. From New Mill Bridge follow the footpath west along the southern edge of Broomhead Reservoir to Broomhead Bridge. Now follow the footpath leading into Yewtrees Lane wood and north towards Waldershaigh and Heads Lane and back to Bolsterstone.

## 15 mile trek

Follow the 5-mile route then head east to Cote House (6.32 miles). From Cote House continue east along the edge to Hollin Edge Height and drop down to the A6102. Now turn west and follow the service road to More Hall Reservoir, and head across the dam-head and then in a south-easterly direction towards Brightholmlee and Glen Howe Park. From Glen Howe Park travel west to Benteholme, Tinker Hill, Spout House and onto Snell House. The path now generally travels north to More Hall Reservoir before heading west again to New Mill Bridge. From here re-join the 10-mile following the footpath west along the edge of Broomhead Reservoir to Broomhead Bridge. Now follow the footpath leading into Yewtrees Lane wood and north towards Waldershaigh and Heads Lane and back to Bolsterstone.
