

2015 Sheffield May Day Trek: 6 mile walk

(The numbers shown on the map above are the distance in miles, they are **not** related to the instruction numbers below.)

[(M25) identifies the location of a marshall and their position number]

1. Turn left out of the church and right on to Blackbrook Road.
2. Turn right at the footpath sign (M25) and walk along the flat path (the conduit)
3. At the end of this path cross the road and the path continues slightly to the right
4. At the end of this path turn right onto Soughley Lane (note no footpath) (M22)
5. At the end of Soughley Lane, turn left onto Long Causeway (continuation of Redmires Road)
6. Almost immediately take the footpath on the right, through the squeezer and down the steps (M26).
If you do not want to cross Wyming Brook by stepping stones, you can carry straight on along the road, but please be aware of fast moving traffic (there is no footpath).
7. Cross Wyming Brook by the stepping stones (or further down by the bridge) and bear left, follow the sign to the car park, up the steps
8. Carry on through the car park to Long Causeway and turn right (M27)

2015 Sheffield May Day Trek: 6 mile walk

9. Follow Long Causeway to the end of the road. (Refreshment point)
Note that there is no footpath on this stretch of road
10. At the end of the road, carry straight on through the squeezer (M21) and follow the Yorkshire Water concessionary path along the south side of the reservoirs.
(You do not cross any of the dams; there are a couple of paths – all end up at the same point. Half way along the third reservoir drop down to water's edge).
11. Go through gate by third dam, bear left along the path closest to the wall on your right, and then right after a short distance, and continue to the road.
12. Turn left down road and then right after about 200 metres onto the second public footpath, a wide gravel path accessed through a metal squeeze gate. (M22)
13. Follow this path (the conduit) to the next road.
14. Bear left and carry on along this road. Turn left at end to return to St. Luke's church. [6.1 miles].

We hope you enjoyed the walk.
